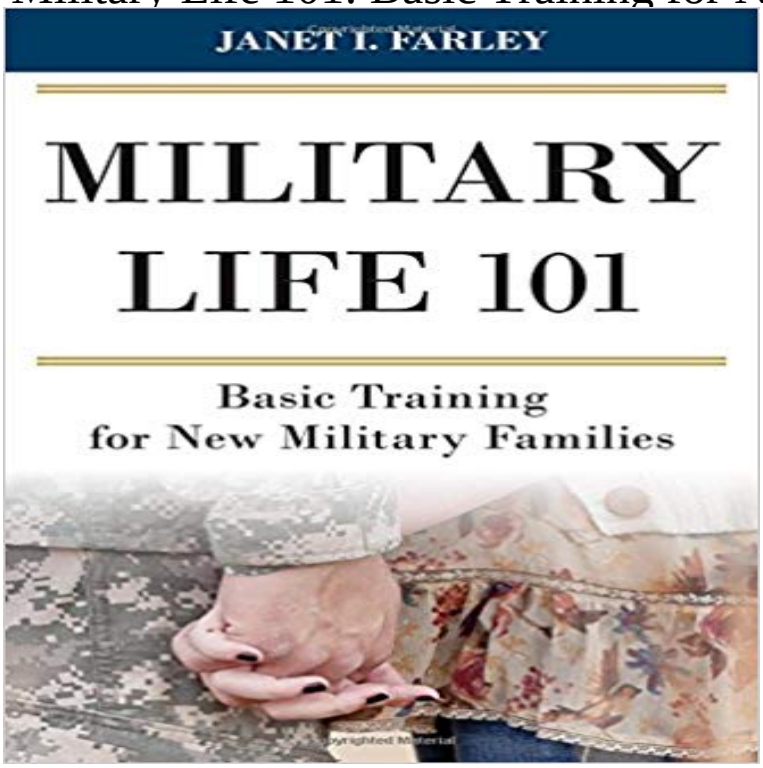
Military Life 101: Basic Training for New Military Families



Making the most of all your new military life has to offer can be difficult when you arent familiar with what life in the military really means. Military Life 101: Basic Training for New Military Families answers many of the questions that service members and their family may have about life in and around the armed forces. Janet I. Farley addresses what to expect from life on the home front in the military and how this career path not only affects the service members but their families. This useful, concise guide effectively introduces new service members and their families to the culturally relevant and need-to- know information required to survive and thrive in the ever-evolving military lifestyle.

Janet is the proud spouse of an Army veteran and a dedicated advocate for all Life 101: Basic Training for New Military Families (Rowman & Littlefield, 2016).
