

Jar Projects: Craft Projects For Gifts And Decorations

Jar Projects covers a multitude of uses for re-cycled jars proving that they can be reusable for many different purposes. Themes include weddings, florals, gifts, food, kids and more. You don't have to be naturally crafty to get started on these projects, as there are some smaller ones included aimed at the total beginner. The projects are simple and include step-by-step instructions as well as beautiful vibrant photographs throughout to show you what your finished jar project will look like. Discover the pure joy which comes from making gifts for other people, as well as home ideas, and beautiful decorations for those special occasions. (Alice Vinten)

Mason jars are not merely used for storing food or preserves. They lend themselves to a variety of craft projects.
