

Recoil (Nick Stone Book 9): Andy McNabs best-selling series of Nick Stone thrillers - now available in the US, with bonus material

Recuperating in Switzerland after a job that cost the life of one of his closest friends, ex-special forces soldier and deniable operator Nick Stone has only one thing on his mind: the girl who left his bed this morning without saying goodbye. And when she fails to reappear, Nick knows the honeymoon is over before it has even begun. Her trail leads him to Africa, and the deep end of a very dirty Congo war - where it isn't long before the past comes knocking at his door, and Stone finds himself catapulted once more into the dark and brutal world he'd tried to leave behind. As one bloody twist leads to another, his apparently simple quest becomes a journey to the heart of a chilling conspiracy, to which he and his beautiful quarry unwittingly hold the key... Reviews

About Andy McNab
From the day he was found abandoned in a carrier bag on the steps of Guys Hospital, Andy McNab has led an extraordinary life. As a teenage delinquent, he kicked against society. As a young soldier he waged war against the IRA in the streets and fields of South Armagh. As a member of 22 Special Air Service Regiment he was involved for ten years in covert and overt special operations worldwide, often working alongside America's Delta Force, SEALs, DEA and CIA. During the Gulf War he commanded Bravo Two Zero, a patrol that, in the words of his commanding officer, will remain in regimental history for ever. Awarded both the Distinguished Conduct Medal (DCM)

and Military Medal (MM) during his military career, McNab was the British Army's most highly decorated serving soldier when he finally left the SAS. Since then Andy McNab has become one of the world's bestselling writers, drawing on his insider knowledge and experience. As well as three non-fiction bestsellers, he is the author of fifteen bestselling Nick Stone thrillers. Besides his writing work, he lectures to security and intelligence agencies in both the USA and UK, works in the film industry advising Hollywood on everything from covert procedure to training civilian actors to act like soldiers and he continues to be a spokesperson and fundraiser for both military and literacy charities.
