

## Los Generales de Dios II (Gods Generals Vol 2) (Spanish Edition)

This is a work that will present six men that fought to reintroduce the beliefs and principles of the early church. Among them are John Wycliffe, Martin Luther, and John Calvin. The author invites you to go on a journey with them through their lives. As you read about these men who sacrificed everything in their battle for God, and see their pictures, you will begin to appreciate the freedom of worship. You will find inspiration for your own spiritual battles, and you will be motivated to apply biblical truths to your own life.
