

Gotham Central Omnibus

Gotham City: a town teeming with corrupt cops, ruthless crime lords, petty thieves ... and just a small handful that would oppose them. Grizzled veteran Harvey Bullock, Captain Maggie Sawyer, Detective Renee Montoya and the GCPD are the law force that stands between order and complete anarchy. Gothams Finest work around the clock to not only keep the worlds most psychotic criminals off the street... but also cleaning up the mess left behind by Batmans one-man war on crime. Written by critically acclaimed authors Ed Brubaker (Captain America) and Greg Rucka (52, Detective Comics), this Eisner Award-winning series follows the detectives of Gotham Citys Special Crimes Unit as they navigate against the citys greatest villains--in the shadow of Batman himself. This Eisner Award-winning series is now available in its entirety in this Omnibus edition. Collects issues #1-40.
