

Candide (Enriched Classics)

Enriched Classics offer readers accessible editions of great works of literature enhanced by helpful notes and commentary. Each book includes educational tools alongside the text, enabling students and readers alike to gain a deeper and more developed understanding of the writer and their work. A classic work of eighteenth century literature, *Candide* is Voltaire's fast-paced novella of struggle and adventure that used satire as a form of social critique. *Candide* enlists the help of his tutor, Dr. Pangloss, to help him reunite with his estranged lover, Lady Cunegonde. But the journey welcomes many unexpected challenges, and overcoming or outwitting the dangers of the world shall be their greatest task. Enriched Classics enhance your engagement by introducing and explaining the historical and cultural significance of the work, the author's personal history, and what impact this book had on subsequent scholarship. Each book includes discussion questions that help clarify and reinforce major themes and reading recommendations for further research. Read with confidence.
