

The Blues, Mary

An aspiring yet disenchanted Northern Irish journalist finds himself in New York where he discovers the interdependency of creation, craft and audience. Through a reflective narrative circling his daily life, a lost relationship with his beloved Mary, and an assignment of interviews with a rocknroll band, he learns that the key to understanding himself is realising where he really wants to be.

- 4 min - Uploaded by stuecke23 Song by Brian Fallon from The Gaslight anthem, taken from /brianfallonmusic But Its just the blues, Mary the blues swirling around my head like a dream in Dorothys shoes, Im somewhere over the rainbow for you. Lyrics to The Blues, Mary song by Brian Fallon: I learned how to hammer In the burning August sun I learned how to lie and cheat How to steal and ju [Chorus] Em C But Its just the blues, Mary the blues G D Em swirl it around my head like your dreams in Dorothys shoes, C G D Im somewhere over the rainbow Went off the acoustic version, so words may vary slightly) / I learned how to hammer in the burning August sun / I learned how to lie and cheat, how to steel and - 4 min - Uploaded by Raphael Sommer An acoustic cover of the song The Blues, Mary.
