Winging It is a delightful story about three pre-teens from Florida who spend a summer together in Laredo, Texas, a border town with a reputation for intrigue. Eddie, Jack, and Victoria hook-up with Cody, an old barnstorming pilot and his thirteen year old amigo, Luis. They teach our trio how to fly, and steer them into an adventure they will never forget, filled with mystery and deception. They learn about many Critters as well: Armadillos, Javelina, Rattlesnakes, Tarantulas, Scorpions, and the worst critter of all...a real live Terrorist.
