

Daredevil by Mark Waid Volume 7

The Man Without Fear has his reputation put to the test when he comes face-to-face with the terrifying Legion of Monsters. But werewolves, zombies and Frankenstein's creation are not the true horrors in Daredevil's world. Not when cancer can strike his best friend, and none of his powerful and miraculous fellow heroes can do a thing about it. Not when there are those, hidden in plain sight, spreading their vile message of ignorance and malice. And not when costumed maniacs like the Jester are willing to sell their souls for material gain.
