

## A Canticle for Leibowitz

Winner of the 1961 Hugo Award for Best Novel and widely considered one of the most accomplished, powerful, and enduring classics of modern speculative fiction, Walter M. Miller, Jr.'s *A Canticle for Leibowitz* is a true landmark of twentieth-century literature -- a chilling and still-provocative look at a post-apocalyptic future. In a nightmarish ruined world slowly awakening to the light after sleeping in darkness, the infant rediscoveries of science are secretly nourished by cloistered monks dedicated to the study and preservation of the relics and writings of the blessed Saint Isaac Leibowitz. From here the story spans centuries of ignorance, violence, and barbarism, viewing through a sharp, satirical eye the relentless progression of a human race damned by its inherent humanness to recede and repeat its grievous mistakes. Seriously funny, stunning, and tragic, eternally fresh, imaginative, and altogether remarkable, *A Canticle for Leibowitz* retains its ability to enthrall and amaze. It is now, as it always has been, a masterpiece.

*A Canticle for Leibowitz* was the only novel Walter Miller published during his lifetime. But he only needed one to make a mark. The novel has *A Canticle for Leibowitz* [Walter M. Miller Jr.] on . \*FREE\* shipping on qualifying offers.
