

# Don Juan - The Original Classic Edition

Don Juan is a satiric poem by Lord Byron, based on the legend of Don Juan, which Byron reverses, portraying Juan not as a womanizer but as someone easily seduced by women. It is a variation on the epic form. Byron himself called it an Epic Satire. Modern critics generally consider it Byrons masterpiece, with a total of over sixteen thousand individual lines of verse. Byron completed 16 cantos, leaving an unfinished 17th canto before his death in 1824. Byron claimed he had no ideas in his mind as to what would happen in subsequent cantos as he wrote his work. When the first two cantos were published anonymously in 1819, the poem was criticized for its immoral content, though it was also immensely popular. Byrons exuberant masterpiece tells of the adventures of Don Juan, beginning with his illicit love affair at the age of sixteen in his native Spain and his subsequent exile to Italy. Following a dramatic shipwreck, his exploits take him to Greece, where he is sold as a slave, and to Russia, where he becomes a favourite of the Empress Catherine who sends him on to England. Written entirely in ottava rima stanza form, Byrons Don Juan blends high drama with earthy humour, outrageous satire of his contemporaries (in particular Wordsworth and Southey) and sharp mockery of Western societies, with England coming under particular attack. This is a high quality book of the original classic edition. This is a freshly published edition of this culturally important work, which is now, at last, again available to you.
