E law book Contracts Law Without The Confusion By Law Schools Press Law School Press - Has produced many published model law school essays (Feb 2012 bar exam) - Law school depends on individual elements of law - not conclusions. If you study the law from the point of view of conclusions (e.g. this is an acceptance, there is a breach, expectation damages apply) you will have a hard time. If you learn elements of acceptance, offer, consideration, breach, damages, remedies, the merchants rules and more - you will do well. This book brings the elements of contracts law home in a very intuitive way unmatched by any other affordable law school outline.
