

Finders Keepers Quilts: A Rare Cache of Quilts from the 1900s - 15 Projects - Historic, Reproduction & Modern interpretations

Finders Keepers? A Rare Cache of Quilts from the 1900s is based on a collection of quilts found in an abandoned farmhouse in Davis County, Iowa. This historical find is a rare gem. Famed quilter Edie McGinnis has worked to re-create the early quilts, using reproduction fabric to reflect the time period in which they were made. She has also included updated versions of each that will appeal to today's modern quilters.
