CHAMBER OF CHILLS 1: TALES OF TERROR AND SUSPENSE THE FIRST 5 COMPLETE ISSUES OF THE CLASSIC HORROR COMIC BOOKS FROM THE 1950s Horror and terror comics are comic books and graphic novels focusing on scary stories, supernatural phenomena and horror/terror fiction. In the US market, horror comic books reached their peak in the late 1940s through the mid-1950s, when concern over content and the imposition of the self-censorship Comics Code Authority contributed to the demise of many titles and the toning down of others. Horror comics are still a leading genre of the comic book industry, second only to the superhero faction. This book contains the first 5 issues of the classic horror comic books Chamber Of Chills published in 1952 NOTE: Chamber Of Chills issues 1-4 were published as issues 21-24 as a new title to a discontinued comic book. Issue #5 started the new numbering, thus there were eventually 2 separate individual issues numbered 21-22-23-24.
