

# Hush Little Baby

My ex-stepmother just handed me a baby, and she's driving away. When Kit Inness estranged ex-stepmother, Dusty, unexpectedly drives up and pushes a large cloth-covered parcel into her stepdaughters arms, Kit doesn't know what to expect especially when the bundle turns out to be a tiny, adorable, baby boy. Whose child is it? Where did Dusty go and when will she be back? Is the baby Kit's half-sibling? Before these questions can be answered, an angry, savage-looking man comes after the infant, pounding on Kit's door and peering into her windows. Enlisting the help of her maybe-boyfriend, Rowen, and his little sister, Muffin, Kit will risk everything to keep the anonymous boy and herself safe. This ebook features an illustrated biography of Caroline B. Cooney including rare images and never-before-seen documents from the author's personal collection.

Hush, Little Baby is a traditional lullaby, thought to have been written in the Southern United States.
