

With another failed business behind her, dilettante chef Angie Amalfi is cooking up a new scheme: Pairing up her best friend Connie with a handsome professional football player who just happens to be related to the owner of her favorite Italian restaurant. Soon Connie takes more interest in a suspicious loner than Angies dream man and her despondent friend decides to recreate herself as a restaurant consultant. But when police begin to suspect that Connie and her new love interest are connected with a brutal murder and robbery, Angie and her homicide detective fiance Paavo must try to track down the real killer. And when the trail of clues begins to lead back to Angies favorite restaurant, its up to Angie to set things right -- or the only recipe on the menu may be one for disaster.
