

Kafka On The Shore (Vintage Magic)

Kafka Tamura runs away from home at fifteen, under the shadow of his fathers dark prophesy. The aging Nakata, tracker of lost cats, who never recovered from a bizarre childhood affliction, finds his pleasantly simplified life suddenly turned upside down. As their parallel odysseys unravel, cats converse with people; fish tumble from the sky; a ghost-like pimp deploys a Hegel-spouting girl of the night; a forest harbours soldiers apparently un-aged since World War II. There is a savage killing, but the identity of both victim and killer is a riddle - one of many which combine to create an elegant and dreamlike masterpiece.** Murakamis new novel is coming ** COLORLESS TSUKURU TAZAKI AND HIS YEARS OF PILGRIMAGE The reason why death had such a hold on Tsukuru Tazaki was clear. One day his four closest friends, the friends hed known for a long time, announced that they did not want to see him, or talk with him, ever again.
