

HARRY HOLE ESTA EN APUROS... Tras el horror que supuso la resolución del último caso, Harry Hole abandonó Oslo y el cuerpo policial. Ahora se ha visto obligado a regresar por cuestiones familiares y porque se sospecha que un asesino en serie anda suelto en Noruega y solo Hole es capaz de llevar a cabo la investigación. EL ASESINO LE TIENE EN EL PUNTO DE MIRA... Tras asesinar a varias mujeres de forma cruel, Hole tendrá que viajar a África para descubrir el origen de La Manzana de Leopoldo, un terrorífico instrumento de tortura jamás visto. El asesino parece estar jugando con la policía y con Hole, y se sospecha que quiere matar a un grupo de personas que pasaron una noche en una cabaña en la alta montaña noruega. LA POLICÍA NO LE FACILITA LA INVESTIGACIÓN... Hole es el único policía que parece ver tras el velo de las cosas, y eso despierta envidias y recelos entre sus compañeros... Además, tendrá que trabajar junto a Kaja Solness, una inteligente y bellísima policía con la que establecerá una peculiar relación... ENGLISH DESCRIPTION In this electrifying new addition to Jo Nesbo's internationally acclaimed series, Harry Hole must confront the darkest demons in his city—and in himself. Inspector Harry Hole has retreated to Hong Kong, escaping the trauma of his last case in squalid opium dens, when two young women are found dead in Oslo, both drowned in their own blood. Media coverage quickly reaches a fever pitch. There are no clues, the police investigation is stalled, and Harry—the one man who might be able to help—can't be found. After he returns to Oslo, the killer strikes again, Harry's instincts take over, and nothing can keep him from the investigation, though there is little to go on. Worse, he will soon come to understand that he is dealing with a psychopath who will put him to the test, both professionally and personally, as never before.
