

The Mountain Lion (A Zia Book)

Miss Stafford writes with brilliance. Scene after scene is told with unforgettable care and tenuous entanglements are treated with wise subtlety. She creates a splendid sense of time, of the unending afternoons of youth, and of the actual color of noon and of night. Refinement of evil, denial of drama only make the underlying truth more terrible. --Saturday Review Hard to match ... for subtlety and understanding... written wittily, lucidly, and with great respect for the resources of the language. --New Yorker Coming of age in pre-World War II California and Colorado brings tragedy to Molly and Ralph Fawcett in Jean Staffords classic semi-autobiographical novel, first published in 1947. Torn between their mothers world of genteel respectability and their grandfathers and uncles world of cowboy masculinity, neither Molly nor Ralph can find an acceptable adult role to aspire to. As events move to their swift and inevitable conclusion, Stafford uncovers and indicts the social forces that require boys to sacrifice the feminine in order to become men and doom intelligent girls who arent pretty.
