

Magnus, Robot Fighter Archives Volume 2

Dark Horse delivers another fantastic collection of rare classics from a comics legend! Russ Manning, famous for his spectacular work on the Tarzan newspaper strips of the late sixties, brought fans his Tarzan of the future in Magnus, Robot Fighter. While his work on the original comic series lasted only twenty-one issues, Mannings creation has survived generations, influencing countless science-fiction artists and writers to this day. Fans of Alex Raymond, Mac Raboy, or Wally Wood should not miss this beautifully bound hardcover, the second Magnus archival collection and the latest addition to Dark Horses line of science-fiction classics.
