

## Strange Blood (Megan Rhys Crime Mystery Novels Book 2)

SHORTLISTED FOR THE THEAKSTONS OLD PECULIER CRIME NOVEL OF THE YEAR AWARD

Someone follows Tessa home. Stabs her to death in her own bedroom. And leaves a chilling signature on her body... People in the quiet suburb of Pendleton are scared to let their kids out on the street. In one of the houses, behind the net curtains, a woman lies brutally murdered. Word is it was more than just murder. It was a sacrifice. Forensic psychologist Megan Rhys is called in to help the police investigate what they believe is a ritual killing. But she suspects that the modus operandi is a cunning deception. And she is suspicious of the media-obsessed police chief in charge of the case. When the mutilated corpse of a second woman is found the pressure intensifies. Could Megan have got it all wrong? As the press, the police and her own family turn on her, she stakes everything on cracking the mystery of the killers identity. Reviews: Patricia
