

Un om isi traieste ultimele zile de viata. Nu orice om, ci cel mai mare critic gastronomic din lume. Ce mai conteaza in ultimele ceasuri? Amintirile unor gusturi si gusturile unor amintiri. Calatorie la capatul vietii, festin vesel si trist, O delicatessa pune pe masa cititorului feluri exotice si retete rafinate, de savurat in tihna. Invitatie la cateva ceasuri de literatura buna, romanul lui Muriel Barbery dezvaluie ironic lucrurile care conteaza. „Privind cu ochi critic societatea franceza si starea vietii de familie, primul roman al autoarei care a scris Eleganta ariciului etaleaza un stil cuceritor pentru cititorul de azi.“ - Le Figaro
