

Rainforest Publications identification guide to Panama Mammals and Tracks shows 94 of the mammal species for Panama. Almost all the species not recorded here are bats and small rodents, which generally can not be identified unless they are trapped. The illustrator, British naturalist Mark Wainwright, has lived and worked in Monteverde, Costa Rica, since 1991. Each illustration of a mammal and its track is accompanied by the name in English, Spanish, and Latin, size, and a symbol indicating geographic distribution. The back cover contains a map of the regions in Panama along with additional technical information in English and Spanish. This is a highly portable waterproof full color scientifically reviewed wildlife field guide;.... When folded, the guide is only 3.5 (9cm) by 8.75 (22 cm). It contains twelve 9cm by 22cm pages plus front and back cover pages, and when spread is approx. 24 (61cm) by 8.75 (22 cm) Our wildlife guides are the perfect companion if you're a naturalist, bird watcher, or adventure traveler.
