

# The Hitchhikers Guide to the Galaxy, The Quandary Phase (Dramatized)

Dont panic! The Hitchhikers saga returns once again with a brand new full-cast dramatisation of So Long and Thanks For All the Fish, the fourth book in Douglas Adams famous trilogy in five parts. The Earth has miraculously reappeared and, even more miraculously, Arthur Dent has found it. Returning to his cottage after...well...ages, he falls in love with the girl of his dreams. But Ford Prefect is onto something which might well burst Arthurs bubble. There is, after all, something very fishy about his girlfriends feet, and what has happened to all the dolphins? Perhaps, at last, all will be revealed in Gods Last Message to His Creation....Simon Jones returns as Arthur, Geoffrey McGivern as Ford, and Stephen Moore as Marvin. William Franklyn is the Book, and there is a whole host of famous guest stars. This extended edition features 30 minutes of material not heard on BBC Radio 4.
