

Plan B: A Novel

In his debut, acclaimed bestselling author Jonathan Tropper captured the anxiety and humor of a group of friends as they near their thirtieth birthdays and have to come to terms with a milestone that they never thought would be like this. Ten years ago, they went into the world full of dreams for the future. But now Bens getting a divorce, Lindseys unemployed, Alison and Chuck are stuck in ruts, and Jack is getting more publicity for his cocaine addiction than his Hollywood success. Suddenly, turning thirty seems to be both more meaningful and less than theyd imagined it to be. Troppers endearing novel is about more than love, celebrity, addiction, kidnapping, or even turning thirty; its a heartfelt comic riff on what it means to be an adult against your will.

Turning thirty was never supposed to be like this. Ten years ago, Ben, Lindsey, Chuck, Alison, and Jack graduated from New York University. Plan B has 1829 ratings and 85 reviews. Karin said: Typical high school chick lit book: boyfriend away at college, trying to get into college. The movie Plan B is an unexpectedly charming, funny read. It was refreshing to read a novel focused on family instead of romance (though Vanessa does have a boyfriend, The heartwarming debut novel by the New York Times bestselling author of *This is Where I Leave You* and *One Last Thing Before I Go*.
