

Rogue Descendant (Nikki Glass Book 3)

The third novel in an action-packed urban fantasy series from the acclaimed author of the Morgan Kingsley, Exorcist books starring a female private investigator who discovers that she's an immortal huntress. For Immortal Huntress and cunning P.I. Nikki Glass, vengeance trumps all in the newest novel in Jenna Black's addictive series. Nikki Glass, descendant of Artemis the Huntress, is all for justice, but she draws the line at cold-blooded murder. Too bad she works for Anderson Kane, a god in disguise who just happens to be the son of a Fury. He wants Konstantin, the deposed leader of the Olympians, dead, and he needs Nikki's help to hunt his nemesis down. Saying no to a god might be bad for her health, but Nikki is no pushover ... until Konstantin claims responsibility for a fire that destroys her parents' home. Nikki would do anything to protect her family, and now she sets off on the deadliest of hunts, knowing that a single false step could trigger a war between Anderson and the Olympians a war Anderson cannot hope to win. But is it possible she has another enemy? Maybe even one in her own house? As the mysteries deepen and the suspects mount, Nikki must try to put the pieces together and catch the real culprit before innocent people get caught in the crossfire.
