

Star Wars: Vector Volume 1

In Chapter 1: Knights of the Old Republic Volume 5, a terrible vision reaching far into the future alerts the secret Jedi Covenant to the importance of Taris, and they activate operative Celeste Morne. She encounters a monstrous threat, an ancient Sith artifact, an army of Mandalorians, and Zayne Carrick, the Padawan accused of killing his fellow students! Then, over 4,000 years into the future, Chapter 2 of Vector - Volume 3 of Dark Time - crosses into the period immediately following the events in Revenge of the Sith. The unfortunate misfit crew of the Uhumele is thrown into the path of Darth Vader and the now-ancient Jedi Master Celeste! Both Sith and smugglers will not leave this meeting without grave consequences ...
