

The Constant Heart (Signet)

THE ROGUES RETURN... Miss Rebecca Shaw had lost her heart once in her young life - lost it and had it broken. At last it had mended - mended enough for her to say yes when the handsome, high-minded young Reverend Phillip Everett asked her to be his wife and share a life of the purest propriety and best of good works. But now Christopher Sinclair had returned. He was free now of the marriage that had given him fabulous wealth at the price of leaving Rebecca behind and betrayed. He was free now to turn Rebecca's head again... away from the man who soon would be her lawfully wedded husband. And Rebecca was also free to change her mind - but was she foolish enough to turn toward a love that had proven faithless once and now could be utterly ruinous... .?
