

The Divas Guide to Selling Your Soul

Dont hate me because Im beautiful... Call me V. I used to be a nobody, just a girl from New Jersey who was probably going to hell anyway -- or worse, mediocrity and a size 14. Now I get whatever I desire just by casting a little spell....a flawless body, a luxury penthouse, and a Fifth Avenue shop where rich women clamor for my overpriced handbags. Even better, I have power. I can taunt my ex-husband, break hearts without guilt, and love every minute of it. My secret? I lost the one thing I never needed in the first place: my soul. I sold it. And youll never guess whos got it now. Shes a devil in disguise. You know her as the dishiest gossip columnist in the citys trashiest tabloid. I call her Lucy. And our deal is this: the more clients I recruit for her Life Enrichment Program, the greater my rewards. But just between us, my fast track to heartless apathy has hit a few speed bumps -- lately, Ive had the totally annoying impulse to do things that are...good. First there was rescuing a kid in the park. Then there was the date with the handsome, decent guy who wasnt even a celebrity. Whats next, giving to charity or something? All I know is Lucy doesnt like it, not one little bit. And when she finds out, there will be hell to pay...
