

Steamed (The Gourmet Girl Mysteries)

Chloe Carter's internet date commits the ultimate gastronomic faux pas: He dies before dessert. Ever in search of the perfect meal and the perfect man, twenty-something grad student and food connoisseur Chloe Carter draws the line at speed dating. But when the Massachusetts native reluctantly signs up for Back Bay Dates, she soon communicates with a guy after her own heart. According to his online bio, DinnerDude is Eric Rafferty, a blond, six-foot foodie. They meet at a five-star restaurant where everyone seems to know Eric, and he and Chloe are given the celebrity treatment. But their first date turns out to be their last: Before Chloe can say crème brûlée, Eric is found in the mens room, fatally stabbed in the neck. Suddenly at the center of an investigation into the life of a man she barely knew, Chloe plunges into the cutthroat world of trendy restaurants. Her romantic life picks up again when she meets sexy chef Josh Driscoll, who's also the prime suspect in Eric's murder. This ebook features mouth-watering recipes sure to satisfy more than just your appetite for crime. Steamed is the 1st book in the Gourmet Girl Mysteries, but you may enjoy reading the series in any order.
