Miss Emily Fido Faithfull is a woman of business and a spinster pioneer in the British womens movement, independent of mind but naively trusting of heart. Distracted from her cause by the sudden return of a once-dear friend, the unhappily wed Helen Codrington, Fido is swept up in the intimate details of Helens failing marriage and obsessive affair with a young army officer. What begins as a loyal effort to help a friend explodes into an intriguing courtroom drama complete with accusations of adultery, counterclaims of rape, and a mysterious letter that could destroy more than one life. Based on a scandalous divorce case that gripped England in 1864, *The Sealed Letter* is a riveting, provocative drama of friends, lovers, and divorce, Victorian-style.
