

Connie Nixon is no stranger to making lists. In fact, she has rewritten the list of her deepest desires no fewer than forty-eight times. And each Sunday, for as long as she can remember, she's tinkered with it. But actually doing something about her desires is a different story—until the night she comes across a box belonging to her estranged daughter...and makes a stunning discovery. It turns out that her seemingly straitlaced Jessica is part owner of one of the most successful sex toy shops in America. Shocked by her daughter's secret life, Connie tucks her list in her back pocket and does something utterly impulsive: she hops on a plane to New York City to track down Jessica—and winds up on the wildest adventure of her life. Because with her daughter's help, Connie's about to let her own inner bombshell see the light of day. Now, for the first time ever, things are flying off Connie's list. Like reconnecting with her daughter. And getting tipsy before noon. And the most startlingly extraordinary desire of all: falling in love.
