

The Lovecraft Letters Vol 1: Mysteries of Time & Spirit: Letters of H.P. Lovecraft & Donald Wandrei (v. 1)

Mysteries of Time and Spirit is a collection of all the correspondence between Lovecraft and future Arkham-House co-founder Donald Wandrei. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
