

This Fragile Life

You love your best friend. You trust her with your life. But could you give her the most precious gift of all? Alex's life is a mess. She's barely holding down a job, only just affording her apartment, and can't remember when she was last in a relationship. An unexpected pregnancy is the last thing she needs. Martha's life is on track. She's got the highflying career, the gorgeous home and the loving husband. But one big thing is missing. Five rounds of IVF and still no baby. The solution seems simple. Alex knows that Martha can give her child everything that she can't provide. But Martha's world may not be as perfect as it seems, and letting go isn't as easy as Alex expected it to be. Now they face a decision that could shatter their friendship forever. Provocative. Emotional. Affecting. Share *This Fragile Life* with your best friend. Praise for Kate Hewitt! OMG!
