

In the tradition of *The Alchemist*, *Way of the Peaceful Warrior*, and *The Celestine Prophecy*, this enchanting semiautobiographical parable follows the inquisitive Scott as he finds himself in a parking lot where he meets a cardboard-sign-toting homeless man named Robert with a penchant for changing lives. With Robert and the sleepy black lab Puppy Don at his side, Scott embarks on a spiritual awakening and attempts to heal his past while confronting the spirit of his dead fiancée, learning the power of nature, exploring the spirit plane, and discovering the true nature of the universe. On this unique journey of self-discovery, various healing and spiritual modalities are revealed, including shamanic soul retrieval, ancestral healing, harnessing of lunar energy, conscious cooking, kirtan, manifesting, and lightworking. This easy-to-read book is a charming and affecting story of one humble soul's profound awakening on the path to facing an extraordinary dilemma between his spiritual calling and earthly life purpose.
