

## Husband Wanted

Millionaire Grace Purdue never understood why her three beautiful, intelligent granddaughters didn't have a husband. Every woman needs a good man by her side, especially a woman of means. So, when the publishing empire heiress died she made sure that her granddaughters wouldn't stay single. In order for them to get their inheritance, they must each fall in love and get married in nine months. Easy, right? Sheila, Leslie and Regina are wondering if their grandmother took too much medication when she wrote her will. If thousands of women across the globe are having a hard time finding true love and a husband, what made their grandmother think that they could in less than a year? But with a total of \$45 million at stake, they are determined to shed their singleness or die trying. Little do they know that love, romance, deceit and deception run deep because money can get you what you want and a whole lot of what you don't. Enjoy this entertaining tale as the Purdue women each take a different path that they hope will lead to meeting the love of their lives at the altar.
