

William Shakespeares Star Wars

Return once more to a galaxy far, far away with this sublime retelling of George Lucass epic Star Wars in the style of the immortal Bard of Avon. The saga of a wise (Jedi) knight and an evil (Sith) lord, of a beautiful princess held captive and a young hero coming of age, Star Wars abounds with all the valor and villainy of Shakespeares greatest plays. Tis a tale told by fretful droids, full of faithful Wookiees and fearstone Stormtroopers, signifying...pretty much everything. Reimagined in glorious iambic pentameter and complete with twenty gorgeous Elizabethan illustrations--William Shakespeares Star Wars will astound and edify Rebels and Imperials alike. Zounds! This is the book you're looking for.
